

# Paying Monthly with Uplift

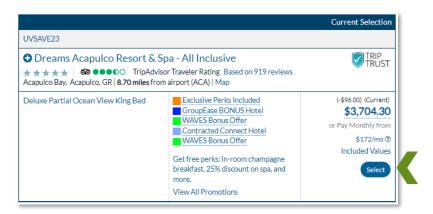

Uplift helps your clients spread the cost of their trip into affordable monthly payments, helping them make their travel dreams a reality. When you book with Apple Vacations, Travel Impressions, Funjet Vacations, Southwest Vacations<sup>®</sup>, Blue Sky Tours or United Vacations<sup>®</sup>, you can provide Uplift's Pay Monthly payment plan option, based on the date your clients purchase their vacation.

Your clients can apply for a loan through Uplift in just minutes. After a quick "soft" credit check is performed to verify their financial eligibility and identity, they'll get a quick confirmation with no impact on their credit score. Once approved, Uplift will pay your clients' reservation in full.

All monthly installments your clients make will then be paid to Uplift. Uplift offers a variety of loan durations up to 24 months.\*

Loan offers are based on a number of factors including your client's credit information, purchase details, and more. No hidden fees. No worries. Customers can enroll in the Auto-Pay feature and monthly payments are automatically processed and details are sent to them with a convenient email and text.

In the pricing panel, the Pay Monthly amount you see will be based on a 24 month loan.

<sup>\*</sup> Based on a purchase price of \$3,704.30 you could pay a down payment of just \$171.30 today. Then make 24 monthly payments of \$171.30. Example based on 15% APR. Well qualified applicants may be eligible for 0% APR. Minimum \$150 purchase required. Actual terms are based on your credit score and other factors, and may vary. Not everyone is eligible.
